---

## Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

---

## Experience

- Suvidha Foundation** 08/02/2022 - 08/04/2022  
Internship  
I have worked here as Human Resource Manager.  
I used to handle content writers and maintain their data.  
Also, I was the motivating speaker for the interns working under me.
- Nova Social** 25/09/2023 -  
Artificial Intelligence (AI) Writer
  - I am supposed to write the Contents related to an Artificial Intelligence.
  - Along with this I have to ensure the regular engagement of users on the App.

---

## Education

- DBMS Kadma High School, Jamshedpur** 2019  
Matriculation
- DBMS Kadma High School, Jamshedpur** 2021  
Senior Secondary Education

---

## Skills

- HTML
- CSS
- Javascript
- C++
- Python
- PHP
- Database (DBMS)
- MySQL
- Python Flask
- Canva

---

## Projects

- Portfolio Website**  
I have made my portfolio website only by using HTML, CSS and JAVASCRIPT.  
  
My Portfolio Website link is given below:-  
<https://prabhat11611.github.io/prabhat76.github.io/my.html>
- Advanced Banking System**  
I have made an advance Banking System with the help of Python programming language with database connectivity.  
For backend database storage (DBMS) has been used.

---

## Additional Information

NCC is one of the best example of active part of societies, and the MOTO of NCC is Unity and Discipline and I feel proud to say that I am one among these Cadets.
